Dear Friend and Neighbor,

The Birmingham Patriots, a 501(c)(3) non-profit organization, is actively seeking your support for our

2018 football and cheer season. The Patriots team teaches children in the Birmingham school district the fundamental skills necessary to safely compete in football and cheer, as well as valuable life skills such as: self-discipline, teamwork, confidence, leadership, friendship and good sportsmanship.

Sponsoring the Birmingham Patriots will spotlight your business as an active participant in our community. Our football and cheer program requires a considerable investment to ensure we provide the proper equipment, fields, and space for our athletes to compete safely and competitively and to cover our operating expenses. With your generous support we hope to continue to grow our programs and provide a safe and exciting environment for our athletes to thrive.

Please review the enclosed flyer which outlines the available levels of sponsorship. No matter which level you choose, our commitment to you ensures that you will receive the attention, recognition, and publicity that you deserve for your sponsorship dollars. All contributions are fully tax-deductible to the extent allowed by IRS rules and regulations. Your support will create awareness and goodwill for your organization in the community. If you are able to support us this year, please return the sponsorship form and your payment in the enclosed envelope.

Please feel free to contact us via email at admin@birminghampatriots.org if you have any questions.

Thank you in advance for your consideration and support.

Sincerely,

Bart R. Tinsley
President
